## About us

---

The San Felipe Men's Group is comprised of men who convene on a weekly basis for spiritual fellowship, prayer, and service to the community.

Our group explores what it means to be Catholic and promotes the spiritual growth of men, through continuous education of our catholic faith, fostering a Catholic brotherhood and developing a routine prayer life.

The San Felipe Men's Group also delves into real life issues we face in our society and discusses matters of morals and faith to better prepare us to become the men God created us to be. We serve our community through spiritual works of evangelization, hosting retreats, feeding the homeless and by exemplifying the teachings of Jesus Christ who reveals to us what it is to be a true man.
